CURRENT RECOMMENDATIONS

#1 Nickel 3-3 Stack

PASS69/100

Cover 2 Invert

Quick setup: Zone Strategy: Default · Cornerback Depth: 5 yards

Stock call: 4 rush · 2 deep · 5 underneath · 0 man · 0 spy · 0 contain

Formation front: 3 aligned on the front — 2 interior DL + 1 edge

Threat assessment: 60/100 · Limited confidence · Main concern: Sideline high-low stress

Concern: A high-low combination can still force that flat defender to choose.

#2 Nickel Wide

SITUATION	PRIMARY CALL	FIT	CHANGEUP	FIT
1ST & SHORT	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Aggressive	64	3-4 Tite Cover 6 Zone Strategy: Aggressive	58
DC: Fit the run and QB keeper, contest the quick throw, and keep play-action help. Short yardage does not justify all-out pressure.				
1ST & MEDIUM	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Aggressive	66	3-4 Tite Cover 6 Zone Strategy: Aggressive	59
DC: Stay balanced against the observed personnel. Fit the run without giving away the complementary pass.				
1ST & LONG	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Aggressive	65	3-4 Tite Cover 6 Zone Strategy: Aggressive	57
DC: Stay balanced against the observed personnel. Fit the run, close the underneath throw and keep help against an explosive play.				
2ND & SHORT	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Default	63	3-4 Tite Cover 6 Zone Strategy: Default	58
DC: Expect a run or quick throw, but keep deep help for a play-action shot. Do not sell out just because third down would be manageable.				
2ND & MEDIUM	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Aggressive	66	3-4 Tite Cover 6 Zone Strategy: Aggressive	58
DC: Close intermediate windows without losing the run fit. Avoid a gain that leaves an easy third down.				
2ND & LONG	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Default	68	3-4 Tite Cover 6 Zone Strategy: Default	58
DC: Defend the longer throw, then rally to screens and underneath gains. Keep the draw and QB escape covered instead of assuming an automatic pass.				
3RD & SHORT	4-3 Over Wide Cover 3 Sky Cornerback Depth: 5 yards · Zone Strategy: Aggressive	61	3-4 Tite Cover 6 Cornerback Depth: 5 yards · Zone Strategy: Aggressive	59
DC: Fit the run and QB keeper, contest the quick throw, and keep play-action help. Short yardage does not justify all-out pressure.				
3RD & MEDIUM	Nickel 3-3 Stack Cover 2 Invert Cornerback Depth: 5 yards · Zone Strategy: Aggressive	67	3-4 Tite Cover 6 Cornerback Depth: 5 yards · Zone Strategy: Aggressive	58
DC: Contest hitches, outs, and crossing routes at the sticks. Tackle at the catch; deep cushion alone can concede the conversion.				
3RD & LONG	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Conservative · Cornerback Depth: 10 yards	70	4-2-5 Even Cover 4 Palms Zone Strategy: Conservative · Cornerback Depth: 10 yards	65
DC: Protect the sticks and deep threats. Rally to short catches and maintain a QB escape answer; pressure must justify its coverage cost.				
4TH & SHORT	4-3 Over Wide Cover 3 Sky Cornerback Depth: 5 yards · Zone Strategy: Aggressive	61	3-4 Tite Cover 6 Cornerback Depth: 5 yards · Zone Strategy: Aggressive	59
DC: Fit the run and QB keeper and close the immediate throw. Win at the line to gain while keeping help against play action.				
4TH & MEDIUM	Nickel 3-3 Stack Cover 2 Invert Cornerback Depth: 5 yards · Zone Strategy: Aggressive	67	3-4 Tite Cover 6 Cornerback Depth: 5 yards · Zone Strategy: Aggressive	58
DC: Contest the catch at the sticks. A completion only helps the defense if the tackle keeps it short; retain the run and QB escape answer.				
4TH & LONG	Nickel 3-3 Stack Cover 2 Invert Zone Strategy: Default · Cornerback Depth: 5 yards	69	4-2-5 Even Cover 4 Palms Zone Strategy: Default · Cornerback Depth: 5 yards	64
DC: Protect the line to gain and deeper routes, then tackle the underneath catch short of the sticks. Long yardage alone does not confirm a pass.				
GOAL LINE	—		—	
DC: Match the actual offensive personnel. Account for QB run and immediate throws; goal-line location alone does not require Goal Line personnel.				
2-MINUTE DEF	—		—	
DC: Use down, distance, score, clock and timeouts to set the objective. Two minutes alone does not justify Prevent or conceding short throws.				

1ST & SHORT

PRIMARY CALL **Nickel 3-3 Stack · Cover 2 Invert** 64/100

SETUP · Zone Strategy: Aggressive

CHANGEUP · **3-4 Tite · Cover 6**

USE WHEN · Switch if sideline high-low stress starts beating the primary.

SETUP · Zone Strategy: Aggressive

CONDITIONAL PRESSURE · **3-3-5 Stack · Mike Will 2**

USE WHEN · Use only after the QB holds the ball, protection is vulnerable and the hot outlet is accounted for.

SETUP · Zone Strategy: Aggressive

RESET WHEN · Return to the primary if quick throws, screens or a QB escape beat the rush.

WATCH · A high-low combination can still force that flat defender to choose.

YOUR JOB · Handle the threat entering your assignment before chasing another route. Make the quarterback hold the ball and throw outside.

DEFENSIVE KEYS

Fit the run and QB keeper, contest the quick throw, and keep play-action help. Short yardage does not justify all-out pressure.

CONDITIONAL PRESSURE · **3-3-5 3 High Over · Edge Blitz 2**

USE WHEN · Use only after the QB holds the ball, protection is vulnerable and the hot outlet is accounted for.

SETUP · Zone Strategy: Default

RESET WHEN · Return to the primary if quick throws, screens or a QB escape beat the rush.

WATCH · A high-low combination can still force that flat defender to choose.

YOUR JOB · Keep your assigned route covered, then close on the underneath catch. Read releasing blockers for a screen and keep the draw or QB escape in view.

DEFENSIVE KEYS

Defend the longer throw, then rally to screens and underneath gains. Keep the draw and QB escape covered instead of assuming an automatic pass.

3RD & SHORT

PRIMARY CALL **4-3 Over Wide · Cover 3 Sky** 61/100

SETUP · Cornerback Depth: 5 yards · Zone Strategy: Aggressive

CHANGEUP · **3-4 Tite · Cover 6**

USE WHEN · Switch if sideline high-low stress starts beating the primary.

SETUP · Cornerback Depth: 5 yards · Zone Strategy: Aggressive

CONDITIONAL PRESSURE · **3-3-5 Stack · Mike Will 2**

USE WHEN · Use only after the QB holds the ball, protection is vulnerable and the hot outlet is accounted for.

SETUP · Cornerback Depth: 5 yards · Zone Strategy: Aggressive

RESET WHEN · Return to the primary if quick throws, screens or a QB escape beat the rush.

WATCH · Play action and seams can punish the safety for reacting to the run too early.

YOUR JOB · Stay square through the mesh, fit the run if the ball is handed off, and close the first inside throw if the quarterback pulls it.

DEFENSIVE KEYS

Fit the run and QB keeper, contest the quick throw, and keep play-action help. Short yardage does not justify all-out pressure.

3RD & MEDIUM

PRIMARY CALL **Nickel 3-3 Stack · Cover 2 Invert** 67/100

SETUP · Cornerback Depth: 5 yards · Zone Strategy: Aggressive

CHANGEUP · **3-4 Tite · Cover 6**

CONDITIONAL PRESSURE · **3-3-5 3 High Over · Edge Blitz 2**

USE WHEN · Use only after the QB holds the ball, protection is vulnerable and the hot outlet is accounted for.

SETUP · Cornerback Depth: 5 yards · Zone Strategy: Aggressive

RESET WHEN · Return to the primary if quick throws, screens or a QB escape beat the rush.

WATCH · A high-low combination can still force that flat defender to choose.

YOUR JOB · Read the inside break or crossing route near the line to gain. Keep your leverage and tackle at the catch; do not follow a short decoy out of your zone.

DEFENSIVE KEYS

Contest hitches, outs, and crossing routes at the sticks. Tackle at the catch; deep cushion alone can concede the conversion.

3RD & LONG

PRIMARY CALL **Nickel 3-3 Stack · Cover 2 Invert** 70/100
SETUP · Zone Strategy: Conservative · Cornerback Depth: 10 yards

CHANGEUP · 4-2-5 Even · Cover 4 Palms
USE WHEN · Use only if throw beyond the sticks appears; it is a possible answer, not an observed tendency.
SETUP · Zone Strategy: Conservative · Cornerback Depth: 10 yards

CONDITIONAL PRESSURE · 3-3-5 3 High Over · Edge Blitz 2
USE WHEN · Use only after the QB holds the ball, protection is vulnerable and the hot outlet is accounted for.
SETUP · Zone Strategy: Conservative · Cornerback Depth: 10 yards
RESET WHEN · Return to the primary if quick throws, screens or a QB escape beat the rush.

WATCH · A high-low combination can still force that flat defender to choose.
YOUR JOB · Gain depth with the first inside route, then break downhill. Do not chase a short route that cannot reach the sticks.
DEFENSIVE KEYS
Protect the sticks and deep threats. Rally to short catches and maintain a QB escape answer; pressure must justify its coverage cost.

4TH & SHORT

PRIMARY CALL **4-3 Over Wide · Cover 3 Sky** 61/100
SETUP · Cornerback Depth: 5 yards · Zone Strategy: Aggressive

CHANGEUP · 3-4 Tite · Cover 6

WATCH · A high-low combination can still force that flat defender to choose.
YOUR JOB · Read the inside break or crossing route near the line to gain. Keep your leverage and tackle at the catch; do not follow a short decoy out of your zone.
DEFENSIVE KEYS
Contest the catch at the sticks. A completion only helps the defense if the tackle keeps it short; retain the run and QB escape answer.

4TH & LONG

PRIMARY CALL **Nickel 3-3 Stack · Cover 2 Invert** 69/100
SETUP · Zone Strategy: Default · Cornerback Depth: 5 yards

CHANGEUP · 4-2-5 Even · Cover 4 Palms
USE WHEN · Use only if throw beyond the sticks appears; it is a possible answer, not an observed tendency.
SETUP · Zone Strategy: Default · Cornerback Depth: 5 yards

CONDITIONAL PRESSURE · 3-3-5 3 High Over · Edge Blitz 2
USE WHEN · Use only after the QB holds the ball, protection is vulnerable and the hot outlet is accounted for.
SETUP · Zone Strategy: Default · Cornerback Depth: 5 yards
RESET WHEN · Return to the primary if quick throws, screens or a QB escape beat the rush.

WATCH · A high-low combination can still force that flat defender to choose.
YOUR JOB · Contest the inside catch near the sticks. Keep your assigned leverage and tackle before the receiver gains the remaining yards; do not give an easy catch by retreating blindly.
DEFENSIVE KEYS
Protect the line to gain and deeper routes, then tackle the underneath catch short of the sticks. Long yardage alone does not confirm a pass.

GOAL LINE

Set the live personnel, down and objective.
DEFENSIVE KEYS
Match the actual offensive personnel. Account for QB run and immediate throws; goal-line location alone does not require Goal Line personnel.

2-MINUTE DEF

Set the live personnel, down and objective.
DEFENSIVE KEYS
Use down, distance, score, clock and timeouts to set the objective. Two minutes alone does not justify Prevent or conceding short throws.
